

PRIVACY POLICY STATEMENT

The privacy and privacy policy of our website refers to the privacy of personal information that is collected and used and the security of such personal information collected. With this privacy policy, we would like to introduce you to our security measures and data collection methods.

By using this website, you are granting access to this privacy and privacy policy. It is important to know that at any time, free of charge and without any explanation, you may waive your privileges to withdraw your consent to the processing of your personal information from the date you granted. You can submit your right to access, correction, forgetting, limitation, objection and information by using our email address or phone that posted on our contact page.

All our online activities in compliance with European legislation (EU Directive 95/46 / EC, 2002/58 / EC and Treaty Conventions ETS 108, ETS 181, ETS 185, ETS 189) and national legislation of the Republic of Croatia Personal Data Protection and the Electronic Business Act).

SECURITY

This website takes various available measures to protect the user's information. Entering confidential data through this website is protected online and off-line. Access to all data about our users (not just the above-mentioned confidential information) is strictly limited. Access to confidential information only have employees who are required to perform a particular service.

For any additional questions about security on our website, you can send an e-mail to our email address.

COLLECTING AND PROCESSING PERSONAL INFORMATION

A personal data is any information relating to an individual whose identity is known or can be determined directly or indirectly, in particular by means of data such as name, surname, phone number, email address, or other personal information that you voluntarily leave us.

You can use our website without disclosing and collecting your personal information. You are not required to provide us with your personal information as a condition of use of the site, unless it is necessary to provide you with the service or allow us to use our product in accordance with your request. When you use our website, we can store certain information for various security reasons or for statistical purposes.

By submitting a query to our email address, we get some personal information we use to provide you with the most quality service and answer your query.

Transferring of such data over the internet is protected by the protocols of the mail service provider. These data are protected against unauthorized or illegal processing and are not shared with other persons.

PURPOSE OF USE

The data we collect used only for the purpose providing our products and services or for other purposes for which you have given your permission, unless otherwise provided by law.

PERSONAL DATA RETENTION PERIOD

Data is kept as long as necessary to fulfill the obligations and services for which you have given your consent, and for up to one year after which it will be deleted, unless otherwise provided by law or if it is defined by the Contractual Agreement.
